

CX Classic Mini

TWO DRAWER RANGE

Compact by design, the CX Mini Range is ideal for kitchens where space is limited. With a stunning flat panel design, Inverter Technology and advanced functionality, it is the perfect fridge for apartment living.

MR-CX272ET

540W x 660D x 1630H mm
Only available in Right Hand.

272 Litres

White

Stainless Steel

*200L Multi Drawer Category

Advanced Inverter Technology

Using super-efficient Inverter Technology and Neuro Fuzzy Logic, the CX memorises your usage patterns and seamlessly adapts its power levels to minimise temperature fluctuations whilst maximising energy efficiency.

Humidity Drawer with Vitalight Technology

Slow down the wilting process of leafy greens and maintain their original vitamin and antioxidant levels with the unique Vitalight Amber LED Lighting System. Fruit and vegetables stored in this specially designed Humidity Drawer with its integrated Vitalight Technology will last significantly longer in comparison to conventional vegetable crisper bins.

Non-Plumbed Automatic Ice Maker

Always have fresh, clean ice with the Non-Plumbed Automatic Ice Maker. As there is no separate plumbing connection required, this cost-effective approach to ice making means the fridge can be placed anywhere in the kitchen, not just near existing pipe work. Simply fill the removable water tank and the ice maker is ready to go.

Freezer Drawer

Store and organise flat pack items like meat packs in the top tray, and slide it back to reveal a large drawer with even more storage space for those bulkier items such as ice cream tubs. The easy to remove drawers also make cleaning a breeze.

1. Refrigerator Compartment

- Large door pockets able to fit two 3L milk bottles
- Wide Utility Case perfect for storing deli items or quickly chilling beverages
- Tempered Glass Shelves can hold up to 100kg
- Door Alarm

2. Humidity Vegetable Drawer

- Vitalight Technology keeps fruit and vegetables fresher for longer
