

Large Capacity CX

TWO DRAWER RANGE

The Large Capacity CX Two Drawer Range is perfect for the modern kiwi lifestyle. With a stunning flat panel design, Inverter Technology, and with a width of 700mm – this fridge is big enough to fit a week's worth of shopping! And at just 16dBA, it is the quietest in its class!*

MR-CX450ER

699W x 709D x 1798H mm

Only available in Right Hand

450 Litres

Stainless Steel

Black Stainless

Advanced Inverter Technology

The use of super-efficient Inverter Technology combined with monitored temperature sensors installed throughout the refrigerator makes the CX Range one of the most efficient in New Zealand. With Neuro Fuzzy Logic Technology, the CX Range learns from and adapts to your lifestyle, optimising output for unparalleled energy efficiency.

Humidity Drawer with Vitalight Technology

Slow down the wilting process of leafy greens and maintain their original vitamin and antioxidant levels with the unique Vitalight Amber LED Lighting System. Fruit and vegetables stored in this specially designed Humidity Drawer with its integrated Vitalight Technology will last significantly longer in comparison to conventional vegetable crisper bins.

Non-Plumbed Automatic Ice Maker

Always have fresh, clean ice with the Non-Plumbed Automatic Ice Maker. As there is no separate plumbing connection required, this cost-effective approach to ice making means the fridge can be placed anywhere in the kitchen, not just near existing pipe work. Simply fill the removable water tank and the ice maker is ready to go.

Freezer Drawer

Store and organise flat pack items like meat packs in the top tray, and slide it back to reveal a large drawer with even more storage space for those bulkier items such as ice cream tubs. The easy to remove drawers also make cleaning a breeze.

Supercool Chilling Case

Keep meat and fish fresher for longer without having to freeze them. The Supercool Chilling Case is ideal for storing fresh meat for up to seven days and fresh fish for up to five days without the need to freeze.

*400 – 499L Multi Drawer Category

1. Refrigerator Compartment

- Supercool Chilling Case stores meat and fish for up to seven days
