

29L Oasis Classic

The dehumidifier that won't let you down

MJ-E29HX-A

With its 29L capacity, the Oasis Classic 3-in-1 combines moisture removal, air purification and laundry drying to tackle dampness, condensation and daily moisture with ease.

Easy Dehumidifying Mode

Maintain a consistent, comfortable humidity level. The Oasis Classic automatically adjusts its operation to help keep your space dry and balanced.

Triple Decker Hex Heat Exchanger

With a larger three-level heat exchanger, added sub-condenser, and an improved airflow design, the Oasis Classic helps remove moisture faster and more efficiently.*

Intelligent Laundry Mode

Helps reduce clothes drying time indoors. An efficient alternative to tumble drying, the Oasis Classic can quickly dry clothing while simultaneously removing excess moisture from the air.

Advanced Air Purification Mode

Able to operate as a standalone air purifier, helping reduce airborne allergens and irritants for cleaner, healthier indoor air.

High Density PM2.5 Filtration

Two-stage filtration captures fine particles like dust and pollen, helping deliver cleaner air throughout your space.

* Compared to previous models (MJ-E16VX-A1 / MJ-EV22VX-A1).

Made in Japan

29L Oasis Classic

Key Features

- Triple Decker Hex Heat Exchanger removes moisture faster and more efficiently than previous models
- PM2.5 Two-Stage Filtration captures fine airborne particles
- Intelligent Laundry Mode helps dry clothes faster indoors
- Cleaner air with built-in Air Purification Mode
