Key Features

Frost Free Freezer

Say goodbye to manually defrosting your freezer. The Mitsubishi Electric Frost Free Freezer automatically prevents ice build-up.

Rapid Freeze Mode

To freeze items quickly, simply press the "Rapid Freeze" button to activate the special fast-freeze cycle, locking in freshness.

Transparent Drawers

Allow for quick and easy selection of items, minimising the amount of time spent with the door open reducing the loss of cold air and saving energy.

Designed for Convenience

- The External Temperature Control Panel allows adjustments to be made easily without losing cool air.
- The Multi Purpose Sliding Cases keep the freezer cool by minimising loss of cold air.
- The Aluminium Tray speeds up freezing time, and is especially effective for quickly freezing large bulky items when using Rapid Freeze Mode.
