

# Hydronic Terminals Warranty

**This warranty applies to Climaveneta Hydronic Terminals, Accessories and Peripherals sold by Black Diamond Technologies Limited in New Zealand.**

## Warranty Conditions:

The Climaveneta Hydronic Terminal equipment is warranted by Black Diamond Technologies Limited against defects in materials and workmanship as follows:

Product	Warranty Term	
Hydronic Terminals	Domestic Install	1 Year Parts and Labour
	Commercial Install	1 Year Parts and Labour

Warranty covers the equipment supplied only, it does not cover installation/third party components nor does it cover design or heat load calculations which are the responsibility of the third party contractor.

Warranty commences from the date the equipment is purchased and is applicable to the original purchaser. Equipment defects covered by this warranty will be repaired or replaced at the discretion of Black Diamond Technologies Limited without cost to the owner for parts or direct repair labour. A Black Diamond Technologies Limited authorised repair company shall carry out the repair or replacement during normal business hours.

Any Mitsubishi Electric parts or equipment replaced under the warranty will be warranted in accordance with the provisions of this warranty for the remainder of the original warranty period or 12 months from the completion of the repair, whichever is the greater.

Except where inconsistent with the owner's statutory rights and the rights given by this warranty, all other warranties and all liability of Black Diamond Technologies Limited for any loss or damage direct and consequential is expressly excluded.

## Special Exclusions:

- Any product imported by an individual or distributor other than Black Diamond Technologies Limited, is not covered under this warranty.
- Any labour costs inflated by difficult access to the unit, and any extra costs due to difficult access to equipment. Any costs or additional labour associated with gaining acceptable service access to equipment installed in restricted or unsafe locations. Includes crane, lift platform, hiab costs where access necessitates the use of this equipment.
- Please be aware that all Hydronic Terminals installed in a corrosive environment (e.g. sea air, industrial or geothermal sulphur contamination environments) should be treated with additional corrosion protection prior to installation. Although additional protection may increase the product's life, Black Diamond Technologies Limited does not have control of protection type or the application practices used and therefore cannot guarantee that premature corrosion or rust will not occur in these harsh environments; consequently Black Diamond Technologies Limited cannot cover corrosion related damage even if additional protection has been applied.
- Discolouration, warping or deformity of the indoor unit and associated fixtures due to direct and/or prolonged exposure to UV/sunlight.
- Equipment that has been re-installed at a location other than the original location.
- Freight charges (including insurance) or travelling costs for repairs performed outside the area normally serviced by Black Diamond Technologies Limited or an authorised repair company (maximum of 100km round trip).
- Equipment installed in a transportable or mobile application (e.g. caravan, truck, trailer or marine application).
- Any consumable item (e.g. batteries, filters) supplied with the equipment. In addition, this warranty excludes damage, problems or unsatisfactory performance caused to the equipment by:
  - Faulty or incorrect electrical wiring, incorrect power supply, voltage fluctuations, over voltage transient spikes or electromagnetic interference not originating within the equipment.
  - The use of an accessory, component or equipment not supplied by Black Diamond Technologies Limited.
  - Incorrect or poor installation or application.

*Continued overleaf.*

# Hydronic Terminals Warranty

- d. Flood, fire, storm, vandalism, misuse, negligence, acts of God, war, earthquake, vermin or foreign matter (dirt, moisture) entering the equipment, or any outside agency.
- e. In an environment where the climate comfort of humans is not the primary function of the equipment (e.g. high sensible applications).
- f. Operation at conditions outside the operating conditions specified in the Mitsubishi Electric technical or sales data applicable to that equipment.
- g. Damage resulting from poorly brazed pipe connections, leaking pipes or any water ingress affecting electronic components.

## Owner's Responsibility:

The owner is responsible for the correct operation and regular maintenance of the equipment listed on this warranty card. The correction of any non-product fault or problem is not covered by the warranty. Responsibilities include, but are not limited exclusively to:

1. Regular cleaning of the air filter(s) and replacement where necessary.
2. Operation and maintenance of the equipment in accordance with the operating instructions.
3. Ensuring the condensate drain is kept clean.
4. Replacement of exhausted batteries.
5. The application of additional corrosive protection if the product is installed in a corrosive environment (e.g. sea air, industrial environment, geothermal sulphur contamination).
6. It is always recommended that the hydronic water quality meets the required standard and is properly maintained.

## Owner's Statutory Rights:

In respect to any goods supplied under the contract which are not of a kind ordinarily acquired for personal domestic or household use or consumption, unless the owner establishes the following limitation of liability would not be fair or reasonable, the liability of Black Diamond Technologies Limited for any defect of design, materials or workmanship will be limited to any of the following as determined by Black Diamond Technologies Limited:

1. Replacing the equipment or supplying the equivalent equipment of equal or similar condition and quality.
2. Repairing the equipment.
3. Paying the cost of replacing the equipment or acquiring equivalent equipment.
4. Paying the cost of having the equipment repaired.
